Christ is risen! We are risen!

Each year, we celebrate the great events that give us new life in Christ and, each year, Easter is different because *we are different*. The great adventure of the synodal pathways has already begun to shape our way of being a community of faith and a solid foundation has been laid. Ultimately, it is not all about "church" but instead all about the Good News and how we may better proclaim the "yes" of God in Jesus Christ (2 Corinthians 1:19).

We are an Easter people and alleluia is our song!
