This year Trócaire's Lenten campaign focuses on the country of Malawi, Africa. **Malawi is one of the least developed countries in the world and has been badly affected by climate change. In the Machinga district, Malita and her family must make a one-hour trip up to five times a day to collect water. Please support Trócaire in helping communities develop sustainable access to clean, safe and reliable water supplies by taking home a Trócaire box today or going to: www.trocaire.org.**
