In our Trócaire Lenten programme this year, we meet a family of four women, spread across three generations. Vanessa, age 12, and Ineza, age 7, who appear on the Trócaire box this Lent, attend school about a 30-minute walk from their house, walking up one of the community's many steep hills to start class every morning at 8am. Pope Leo reminds us in his recent letter of encouragement "Dilexi Te" that, even today, women are expected to carry disproportionate burdens in many societies. "The organisation of societies worldwide is still far from reflecting clearly that women possess the same dignity and identical rights as men". Going for water is often the work of women and children.

You can help Vanessa & Ineza on our Trócaire box, to repair and rebuild their family's future
