Saint Clement Mary Hofbauer, feast day 15 March.

The son of a butcher, Hofbauer worked as a butcher until 1780. Educated at Vienna University and ordained in 1785, he was authorized to

establish Redemptorist monasteries in northern Europe. In 1788 he took up residence in Warsaw, where he worked for 20 years, establishing Redemptorist houses in Switzerland and southern Germany. In 1808, after Napoleon ordered the Redemptorist community at Warsaw disbanded and its members exiled, Hofbauer spent the remainder of his life in Vienna.

There he established a monastery and continued to seek government approval for Redemptorist houses, which was granted shortly after his death.

As a single mother, with the weight of three generations of her family on her shoulders, Uwamahoro remains strong despite the many challenges she faces. "That is love", she says, "when things come, there is nothing else you can do." For someone who has had a very difficult life, and continues to face very significant daily challenges, nana Verediana is quite positive and says that what she requires is very little.

You are invited to
