🌟 **Great Women of Cherry Orchard** 🌟 We are asking women of our community to come together to share their stories — of strength, leadership, resilience, laughter, and hope. Together, we'll turn these lived experiences into a booklet that celebrates the voices and journeys of Cherry Orchard women. This 6-week programme is all about your voice, experience & story!

At the end of the 6 weeks, we'll launch our very own booklet **Dates to be confirmed** but if you're interested please contact Sinead on 087 450 6057

Many thanks to all those who recently volunteered to minister in our church and of course to all who have been volunteering with us for whatever length of time. Your sharing in ministry of our Church is really appreciated and may you find the truth of the prayer that **'it is giving that we receive'** (Prayer of St Francis whose feast is this weekend)

"I am very grateful to the Boards of Management of the mainstream schools, who established **71 new special education needs classes**, and in particular the principals and staff. These schools will require the ongoing support of SNAs, and all the support services necessary for the educational welfare of the children.I would ask the Ministers, the officials of the Department of Education and the National Council for Special Education, to assist these schools in the support they give to pupils and parents" *ArchBishop Farrell as we begin a new school year*
