On Sunday, our participation in the Eucharist has special importance.

Sunday, like the Jewish Sabbath, is meant to be a day which heals our relationships

with God, with ourselves, with others and with the world. Sunday is the day of the Resurrection, the "first day" of the new creation, whose first fruits are the Lord's risen humanity. It also proclaims "humanity's eternal rest in God". In this way, Christian spirituality incorporates the value of relaxation and festivity. Rest opens our eyes to the larger picture and gives us renewed sensitivity to the rights of others. And so, **the day of rest, centred on the Eucharist**, sheds its light on the whole week, and motivates us to greater concern for nature and those in need.

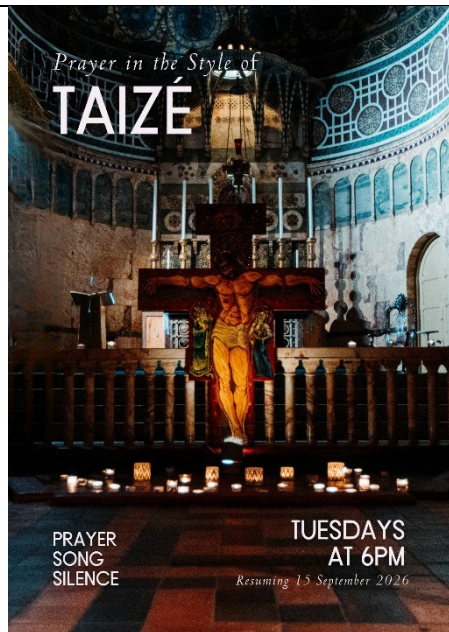

A date for your Diary & you might let others know, especially those who lost a dear one in the past year. The **Mass of Remembrance** for all who died, and in particular, for those who died in the past year, will be on **Saturday, November 7th at 7.00pm.**

All our dead will be remembered at this mass and an invitation will be distributed to the families of those who died in past year in the next few weeks.

Weekly prayer in the style of Taizé in Newman University Church (St Stephen's Green) continues each **Tuesday**. Join us at **6pm** in person or online (YouTube or search Notre Dame Newman Centre.) **St. John Henry Newman's (the founder and builder of University Church, St Stephen's Green) feast day is this Friday, 9th October.**
